Permit # _____
 Location of site _____
 Owner _____
 Acreage _____

Environmental Assessment Form

Please answer all questions. Mark N/A if question does not apply to your project.

A. Locate the following on your survey, where applicable, labeling each item

- 1) proposed construction site
- 2) area to be cleared
- 3) temporary storage site for excavated material
- 4) temporary storage site for fill
- 5) tidal wetlands
- 6) swampy areas where water collects after rain
- 7) beach
- 8) bluffs

B. Description of project :

1) Briefly describe proposed project :

2) clearing :

- a) approximate number of trees to be removed _____
- b) number of shrubs to be removed _____
- c) type of groundcover to be removed : (Check all that apply)
 grass _____ weeds _____ poison ivy _____
 grape vines _____ cat briar _____ bramble _____
 other (describe) _____
- d) disposal of cleared vegetation : (Check all that apply)

Please Note : no materials may be buried on site.

chipped on site _____ composted on site _____
 trucked out of Village to legal dump site _____
 other : (please describe) _____

3) excavation : (mark N/A if no excavation)

- a) depth _____ feet length _____ feet width _____ feet
- b) disposal of excavated material : (Check all that apply)
 backfill (structure) _____ chipped on site _____
 regrading area around construction site _____
 trucked out of Village to legal dump site _____

4) fill : (mark N/A if no new fill to be used)

- a) amount of fill needed _____ cu. yards OR truckloads _____
- b) type of fill : (Check all that apply)
 sand _____ gravel _____ dirt _____ top soil _____

Village of Old Field EAF

- 5) driveway proposal : new _____ existing _____
 - a) dimensions : length _____ feet width _____ feet
 - b) turnaround area : length _____ feet width _____ feet
 - c) other parking areas : length _____ feet width _____ feet
 - d) proposed materials : gravel/stones _____ asphalt _____
- 6) trucks needed for proposed project :
 - a) type of truck :
 - lumber/building materials _____ small dump truck _____
 - concrete/heavy boulders _____ truck with bulldozer _____
 - c) route of trucks in and out of Village :

- 7) methods proposed for preventing excavated materials and fill from causing erosion or being deposited into wetlands or street or onto neighboring properties:
 - a) hay bales surrounding such materials _____
 - b) fence lined with plastic around materials _____
 - c) tarpaulin over materials and staked to ground _____
 - d) other (please describe) :

AFFIDAVIT :

I, _____, being duly sworn, state that I am the owner _____ or authorized agent _____, of the above property and that all statements made in this application plus pages 1 and 2 of the above EAF are true to the best of my knowledge.

Name _____ Signature _____

Address _____

Sworn to before me this _____ day of _____, year _____

Signature _____

Village of Old Field **For Environmental Council Use only**

- 1) location of project in special area of concern :
 - a) flood hazard area _____ zone _____
 - b) bluff area _____
 - c) coastal erosion hazard area _____
 - d) tidal wetlands area _____

e) freshwater wetlands area _____

2) other permits needed ?

- Army Corps of Engineers _____
- State Department of State Approval _____
- State DEC _____
- County Health Department _____
- County Planning Commission _____
- Town of Brookhaven _____
- Village Coastal Erosion _____
- Village Floodplain Development _____

3) Indications of Possible Significant environmental damage :

Type	NA	Probable	Short-term	Long-term
construction in or near wetland	_____	_____	_____	_____
altered drainage	_____	_____	_____	_____
siltation of surface water	_____	_____	_____	_____
erosion of beach, dune or bluff	_____	_____	_____	_____
loss of wildlife habitat	_____	_____	_____	_____

4) likelihood of substantial environmental damage :

likely _____ possible _____ unlikely _____ notify _____

5) need for corrective measures :

Type	<u>Recommended measures :</u>
erosion control _____	_____
revegetation _____	_____
drainage control _____	_____
privacy fence _____	_____
other mitigating measures suggested?	_____

6) Recommendation on permit :

- a) denial _____ granting _____ with conditions _____
- b) conditions to be attached to permit :

(Signature of Environmental Council Chair)

Date _____
